TERMS AND CONDITIONS

These terms and conditions are in place to protect your cat.

All cats must have current vaccinations against cat flu and feline enteritis, and a current veterinary certificate must be produced on arrival. All cats MUST be vaccinated ONCE a year for them to stay with us.

Vaccinations must be done at least ten days before arrival, or isolation fees may apply.

All cats must be treated for fleas and worms approximately 10 days before arrival at Catsablanka (not 2-5 days before arrival) and no longer than 3 weeks before arrival.

We reserve the right to check and treat any cat for fleas should the need arise. The owner will be responsible for the cost of \$18 for a flea treatment.

All adult cats must be de-sexed.

Should the need arise we reserve the right to refer your cat for veterinary treatment. The owner shall be responsible for all costs incurred.

Full care and attention is given to every cat in our care, but we do not accept any liability for illness, disease, accident or death of any cat.

Your authority must be given to release your cat to another party.

Booking your cat into Catsablanka Cattery is taken as a full understanding of these terms and conditions.

All animals accepted at owner's risk.

No animal will be accepted unless proof of inoculation is furnished upon arrival.
